MESSAGE FROM THE CHAIRMAN

It is a matter of immense pride and strategic celebration that Ganga Institute of Technology & Management (GITAM) has introduced its Ph.D. programmes starting from the academic session 2026–27. This milestone represents a transformative expansion in our foundational vision to empower minds and cultivate high-caliber intellectual progress within the region.

As an autonomous educational institution, our continuous objective has been to build an atmosphere where academic rigor aligns perfectly with deep industrial and social transformation. By opening our doors to doctoral research, we are creating a dedicated platform for future visionaries, industry leaders, and research specialists to address complex global challenges.

We are completely dedicated to equipping our scholars with state-of-the-art infrastructure, advanced technological laboratories, and exceptional professional networks. I warmly welcome the incoming cohort of Ph.D. scholars and encourage them to pioneer innovations that leave a lasting imprint on societal progress.

Dr. Sushil Kumar Gupta

Chairman
Ganga Institute of Technology and Management, Kablana

Vice-Chairman

MESSAGE FROM THE VICE-CHAIRMAN

I am absolutely delighted to share my heartfelt congratulations to the entire academic team, faculty, and stakeholders of Ganga Institute of Technology and Management on the formal introduction of our Ph.D. programmes for the session 2026–27. Becoming a center for doctoral studies cements our standing as a premium institution for advanced professional engineering and management studies.

Research forms the structural backbone of progress, and at GITAM, we aim to establish a vibrant research landscape. Our autonomy allows us to create structured pathways that bridge fundamental academic research with practical, real-world industry problem solving, making our scholars competitive on a global level.

We look forward to seeing our doctoral departments transform into active intellectual hubs that contribute patents, research papers, and technical projects to the global engineering landscape. I wish all the selected research scholars a highly productive, innovative, and successful academic journey with us.

MESSAGE FROM THE DIRECTOR

It brings me extreme professional fulfillment to welcome you to the Ph.D. Programme framework at Ganga Institute of Technology & Management for the academic session 2026–27. The formal approval to run independent doctoral streams highlights our institute's academic matureness, high faculty standards, and robust infrastructure.

The Ph.D. programmes at GITAM will operate strictly in accordance with the Ph.D. Ordinance of our Institute, which has been meticulously prepared in line with the applicable ordinance framework of M.D. University, Rohtak, alongside the national regulatory guidelines for offering advanced Ph.D. research programmes. This guarantees that our scholars receive a degree that combines local institutional agility with long-standing university validation.

Our institutional focus centers around cross-functional collaboration, active experimentation, and high-impact scholarship. With our modern labs, extensive library archives, and highly accomplished doctoral supervisors, we offer an ideal ecosystem for researchers. I invite bright and dedicated minds to join our regular doctoral streams and advance the frontiers of knowledge.

CHAPTER -I

ABOUT INSTITUTION

GANGA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (GITAM) KABLANA, JHAJJAR, HARYANA

1. About the Institution

Ganga Institute of Technology and Management (GITAM), established in 2008, is located at Kablana, Jhajjar, Haryana, in the Delhi-NCR region. Established under the aegis of Pawan Ganga Educational Society, GITAM is committed to providing quality, affordable and accessible higher education, promoting academic excellence, encouraging research and innovation, and developing competent professionals equipped to meet the changing needs of society and industry.

GITAM is affiliated with Maharshi Dayanand University (MDU), Rohtak, and offers programmes in accordance with applicable University regulations and approvals of the relevant statutory and regulatory authorities. The Institute is recognized under Section 2(f) of the University Grants Commission (UGC) Act, 1956, and has been accredited with an 'A' Grade by the National Assessment and Accreditation Council (NAAC), as stated in the institutional profile.

GITAM forms part of the wider Ganga Group of Institutions, which has established an educational presence across the Delhi-NCR region through professional programmes in Engineering, Management, Architecture, Computer Applications and Education.

2. Autonomous Status Conferred by UGC and MDU, Rohtak

Ganga Institute of Technology and Management (GITAM), Kablana, Jhajjar, Haryana, has been granted autonomous status for a period of ten years, from the academic year 2024–25 to 2033–34, under the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

The University Grants Commission, through Letter No. F.2-10/2023 (AC-Policy) dated July 2024, communicated approval of the recommendation of the Standing Committee on Autonomous Colleges to confer autonomous status upon GITAM for the said ten-year period. Pursuant to the UGC communication, Maharshi Dayanand University, Rohtak, issued Notification No. CB-II/164/2024/14916–34 dated 5 September 2024, conferring autonomous status on the Institute for the academic years 2024–25 to 2033–34, subject to the conditions prescribed by the University, the UGC and applicable regulations.

Autonomy enables the Institute to exercise the academic and administrative responsibilities permitted under the applicable UGC Regulations, while remaining subject to the conditions imposed by the University and statutory authorities. The Institute is required to comply with

the UGC Regulations, maintain prescribed academic standards, and establish and operate the required examination cell and statutory bodies.

For the Ph.D. programme, admission, eligibility, research supervision, coursework, progress monitoring, thesis submission, evaluation, viva voce and award of the degree shall be governed by the applicable MDU ordinances and regulations, UGC regulations and other statutory requirements. The Institute's autonomous status does not, by itself, mean that it independently awards Ph.D. degrees.

3. Academic Excellence and Industry-Aligned Learning

GITAM strives to integrate theoretical knowledge with practical application, industry exposure and emerging technological developments. Its educational approach emphasizes analytical thinking, problem-solving, creativity, professional responsibility and lifelong learning.

- Curriculum delivery in accordance with applicable academic regulations.
- Continuous improvement in teaching-learning practices.
- Practical training, laboratory work and project-based learning.
- Industry interaction and exposure to emerging technologies.
- Faculty development and professional advancement.
- Research, innovation, entrepreneurship and interdisciplinary learning.

4. Industry, Skill Development and Entrepreneurship

The Institute promotes experiential learning and industry-oriented skill development through academic departments, laboratories, training initiatives and industry interactions. Its institutional profile identifies the Ganga Centre for Skill and Entrepreneurship Development (GCSED) as an initiative to strengthen the relationship between academia, industry and entrepreneurship.

The stated technology ecosystem includes Dassault Systèmes, PTC, Mastercam and Ansys, subject to the applicable collaboration and programme arrangements. Activities may include practical training, industry-linked projects, problem-solving, entrepreneurship development and incubation support.

5. Research, Innovation and Entrepreneurship

GITAM recognizes research and innovation as important components of higher education. The Institute encourages original thinking, academic inquiry, research integrity, responsible scholarship and the development of practical solutions to real-world problems.

- Encouraging original thinking and independent inquiry.
- Promoting research integrity, academic honesty and ethical conduct.
- Supporting innovation, technology development and entrepreneurship.
- Encouraging faculty-student collaboration in research activities.
- Promoting scholarly dissemination through appropriate academic channels.
- Encouraging participation in seminars, conferences and research-oriented events.

Doctoral research shall be carried out in accordance with applicable MDU regulations, prescribed research procedures, ethical requirements and facilities available for the approved research area.

6. Student Support and Welfare Systems

GITAM recognizes that student development extends beyond classroom instruction. The Institute seeks to provide a supportive, inclusive and student-friendly environment through academic guidance, welfare services, career development and appropriate grievance-redressal mechanisms.

6.1 Academic Guidance and Mentoring

Faculty members and designated academic coordinators may guide students regarding course requirements, academic progress, projects, research activities and professional development. Doctoral scholars shall receive guidance within the approved research supervision and monitoring framework prescribed by MDU.

6.2 Counselling and Personal Support

The Institute recognizes the importance of personal well-being and adjustment to academic life. Appropriate counselling and guidance mechanisms may assist students in addressing academic stress, personal difficulties and other concerns affecting their educational experience.

6.3 Career Guidance and Placement Support

Career-related initiatives may include aptitude and communication training, interview preparation, technical skill development, industry interaction, placement guidance and entrepreneurship awareness.

6.4 Scholarships and Financial Assistance

Information regarding scholarships, fee concessions and other financial assistance schemes, wherever applicable, may be obtained through the prescribed institutional or government channels. Availability and approval are subject to the rules of the respective schemes and decisions of competent authorities.

6.5 Library and Learning Resources

Library and learning resources support teaching, learning, assignments and research. Students are encouraged to use available books, reference materials, digital learning resources and other academic facilities. Access to electronic journals and databases is subject to subscription and institutional access arrangements.

6.6 Equal Opportunity and Inclusive Campus

The Institute seeks to promote a respectful and inclusive academic environment. Student concerns relating to discrimination, accessibility or other welfare matters may be raised through the designated institutional channels, in accordance with applicable provisions.

6.7 Sports, Cultural and Co-Curricular Activities

Sports, cultural events, technical competitions, seminars, workshops and other co-curricular activities encourage teamwork, leadership, discipline, communication and interpersonal skills.

7. Transparent and Fair Examination System

GITAM recognizes transparency, fairness, confidentiality and accountability as essential principles of examination and evaluation. Examination-related activities are to be conducted in accordance with applicable ordinances, academic regulations and notified procedures.

- Examination schedules, instructions and relevant academic notices are communicated through prescribed channels.
- Assessment and evaluation follow the applicable assessment scheme and Institute procedures.
- Examination materials, marks, results and academic records are handled through appropriate procedures to maintain confidentiality and accuracy.
- Students may raise examination-related concerns through prescribed representation, verification, re-evaluation or grievance procedures, wherever applicable.
- Academic and examination authorities are responsible for adherence to notified rules and procedures.
- Students are expected to comply with examination rules and maintain academic honesty.

For Ph.D. scholars, coursework examinations, research progress reviews, thesis evaluation, viva voce and other doctoral assessment requirements shall be governed by the applicable Ph.D. ordinances and regulations.

8. Digital Infrastructure and Information Technology

The Institute emphasizes information and communication technology in academic and administrative activities. The Institute's stated internet bandwidth is up to 1 Gbps, subject to the applicable service configuration and operational availability. Such connectivity supports digital learning, access to online academic resources, communication and other internet-enabled educational requirements.

- Access to online learning materials and digital academic resources.
- Internet-enabled teaching, presentations and academic communication.
- Use of digital tools for assignments, projects and research-related work.
- Access to online journals and scholarly information, where subscribed or otherwise available.
- Digital communication among students, faculty members and administrative offices.

9. Institutional Committees and Grievance Redressal

GITAM recognizes the importance of accountability, student welfare, academic discipline, equal opportunity and a safe campus environment. Committees and designated authorities are constituted and operate in accordance with applicable statutory requirements, University

regulations and institutional orders. The following descriptions refer to mechanisms applicable as constituted by the Institute; only currently constituted committees should be listed in the final prospectus.

Internal Complaints Committee (ICC)

Addresses complaints relating to sexual harassment in accordance with applicable law and prescribed procedures, and supports a safe and dignified environment.

Anti-Ragging Committee and Anti-Ragging Squad

Support prevention of ragging, awareness of applicable regulations and response to reported incidents.

Student Grievance Redressal Committee

Provides a designated mechanism for eligible student grievances relating to academic, administrative and other student matters.

Equal Opportunity and SC/ST Welfare Mechanisms

Support fairness, equal access and non-discrimination through designated institutional channels and applicable procedures.

Internal Quality Assurance Cell (IQAC)

Supports quality enhancement, review of institutional practices, feedback analysis and continuous improvement.

Academic and Examination Committees

Support academic administration, examination procedures and adherence to applicable regulations.

Research and Ethics-Related Bodies

Handle research-related matters within the scope assigned under applicable University regulations and institutional arrangements.

Discipline and Student Welfare Committees

Address matters relating to student conduct, campus discipline, welfare and a conducive educational environment.

Other statutory and institutional committees

Committees relating to accessibility, disability support, library services, sports, cultural activities, environmental initiatives and campus safety may operate as required by regulations and institutional needs.

The Institute seeks to communicate committee details, reporting channels and applicable procedures through appropriate institutional notices and information resources.

10. Student Feedback and Continuous Improvement

Student feedback and review mechanisms, wherever implemented, help assess teaching-learning practices and institutional services. The Institute seeks to use appropriate feedback processes to improve academic delivery, student support, infrastructure and administrative responsiveness.

11. Placements, Achievements and Institutional Recognition

GITAM places emphasis on professional competence, practical training, innovation and career development. Its institutional profile reports recognition in engineering and management rankings, participation in innovation competitions, patents associated with faculty members and students, and academic achievements. Specific rankings, awards, patent figures and programme accreditations should be retained in the prospectus only after verification against the relevant published records.

The Institute's profile highlights a B.Tech. programme in Fire Technology and Safety Engineering, with focus areas including fire safety systems, risk assessment, industrial safety and disaster management.

12. Global Outlook and Alumni Network

GITAM seeks to prepare students to participate in a competitive and interconnected world. Its educational approach emphasizes adaptability, ethical conduct, innovation, communication and the ability to respond to emerging professional and societal challenges.

13. Why Choose GITAM?

- Academic programmes delivered in accordance with applicable University regulations and approvals.
- Practical learning, skill development and industry exposure.
- Initiatives promoting research, innovation and entrepreneurship.
- Digital connectivity and technology-enabled learning.
- Student guidance, welfare and grievance-redressal mechanisms.
- Examination and assessment procedures governed by applicable regulations.
- Opportunities for technical, cultural, sports and co-curricular participation.
- Institutional mechanisms supporting discipline, equal opportunity and campus safety.
- Focus on employability, professional ethics and lifelong learning.

14. A Conducive Environment for Doctoral Research

GITAM recognizes doctoral research as an important avenue for developing advanced knowledge, critical inquiry and original scholarly contributions. The Institute seeks to support a research-oriented academic environment in which eligible scholars can pursue approved research objectives in accordance with the applicable University framework.

Ph.D. candidates are expected to maintain high standards of research integrity, originality, academic honesty and professional conduct. They must comply with prescribed requirements relating to research methodology, coursework, progress monitoring, thesis submission and evaluation, and other applicable academic conditions.

Admission, registration, supervision, progress assessment, thesis evaluation and award of the Ph.D. degree shall be governed by the applicable ordinances and regulations of Maharshi Dayanand University, Rohtak, and relevant statutory requirements. Availability of research supervisors, approved research areas, facilities and seats is subject to University rules and applicable approvals.

15. Our Vision for the Future

Ganga Institute of Technology and Management aspires to contribute to the development of skilled professionals, responsible citizens and research-oriented scholars through quality education, technological advancement, ethical values and continuous improvement.

By emphasizing academic discipline, student support, innovation, industry engagement and research, the Institute seeks to prepare learners to respond effectively to the demands of a rapidly changing world.

GITAM remains committed to educational excellence, student development and the advancement of knowledge in accordance with the academic and regulatory framework of Maharshi Dayanand University, Rohtak.

CHAPTER-III
PROCEDURE FOR ADMISSION

3.1 The candidate shall apply in a prescribed application format (**Annexure A**) for admission to Ph.D. program.

3.2 Separate application form(s) shall be filled up for each subject/program.

3.3 The Institute shall notify the number of seats to be offered by each Department for admission to Ph.D. program on bi-annual basis in two cycles as per schedule notified by the Institute from time to time. A copy of the same will be submitted to the MDU, Rohtak.

3.4 Admission to Ph.D. program shall be made in the following manner:

3.4.1 Admission of the students who qualify for fellowship/scholarship in UGC-NET/UGC-CSIR NET/JRF/GATE/CEED and similar National Level tests based on an interview.

3.4.2 Through Common Ph.D. Entrance Test conducted by MDU, Rohtak and based on interview in subjects where NET examination is not conducted by the UGC.

A. Admission of NET qualified candidates

a. The Ph.D. seats will be first offered to the candidates in the following order of preference.

(i) Category-1 NET qualified candidates (Eligible for Award of JRF, Assistant Professor and Ph.D. admissions) based on their performance in the interview.

(ii) Category-2 NET qualified candidates (Eligible for Assistant Professor and Ph.D. admissions)

(iii) Category-3 NET qualified candidates (Eligible for Ph.D. admissions based on the maximum of the minimum cut offs prescribed by the UGC).

Note:

1. **The admission of the NET qualified candidates will be considered in the category (NET Category I/II/III) in which they were issued certificate by UGC.**
2. The Category-1 NET qualified candidates shall be admitted into the Ph.D. Programme based on the interview.
3. In case of category 2 and category 3 candidates, 70% weightage will be given for NET scores and 30% weightage for the interview for admission to Ph.D. programmes. The Ph.D. admission will be based on the combined merit of NET marks and the marks obtained in the interview.
4. For Category 1, the validity will be as mentioned in the UGC-NET Scorecard i.e. the candidates having valid NET Score will only be considered for admission to Ph.D. program.
5. The marks obtained in the NET by the candidates in Category 2 and 3 will be valid for a period of one year for admission to Ph.D.
6. The interview shall be of 30 Marks (15 marks for domain knowledge, 10 marks for research aptitude and 5 marks for research accomplishment).
7. Minimum eligibility will be 50% of marks in interview for Category 1, Category 2 and Category 3 candidates.
8. The admission processes for admitting students to Ph.D. Program will be as follows:
   i) The seats will be offered for admission of Category-1 candidates (JRF only) on the basis of merit prepared as per the interview.

ii) The remaining vacant seats will be offered to Category 2 and Category 3 candidates in order of merit. The category 1 candidates may also apply for admission against the vacant seats, however, the admission will be based on 70% weightage of NET test score and 30% weightage for interview, and the validity of the UGC NET marks for this round of Counselling will be of one year.

b. INTERVIEW

The candidates will be given admission to Ph.D. program based on their performance in the interview by the interview board. At the time of interview, the candidates will be adjudged based on their domain knowledge, research aptitude and research accomplishment before a duly constituted Committee.

The interview domain in addition to above shall also include the following:

1. Competence for research
2. Feasibility of the research work at the Institute

The constitution of interview board shall be as follows:
